August is Membership Month

One club asked the question, “how do we recruit qualified new members to help expand our club?”

Strategy: appointed to review current classifications represented in the club and to analyze what classifications were represented in the community. A form was developed from this information. Members could email the names of individuals within the community (from various classifications) to the chairman. He, in turn, coordinated possible recruitment. The chairman can then let current members know who might be contacted as potential members. The President's fund will be utilized to pay for guest lunches if members cannot afford it or are involved with too many new potential members.

Result: 5 new people joined and there is an on-going recruitment list.

What is Rotary

Rotary is a grassroots organization, and its service efforts are carried out at the club level. Effective club operations include both administrative and service responsibilities. An effective Rotary club is able to:

- Sustain or increase its membership base
- Implement successful projects that address the needs of their community and communities in other countries
- Support The Rotary Foundation through both program participation and financial contributions

Develop leaders capable of serving in Rotary beyond the club level

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
